JOIN US AS WE TRAVEL TO CHARLESTON, MO - Celebrating their 42nd Annual Azalea and Dogwood Festival! There is so much to experience and see, you can't do it all in one day... so we made it two. Don't miss this wonderful short Springtime tour with us!

DAY ONE: WELCOME TO CHARLESTON, MISSOURI!

Today we will depart on our first-class motorcoach towards Missouri's beautiful boot heel. We will make stops along the way for breaks. Our next stop is our destination - CHARLESTON, home of Missouri's only Azalea and Dogwood Festival! Today we will begin taking in all the sights and sounds of beautiful Charleston. Starting off we will make a stop at the Arts and Crafts Show in Rowling Park. Here browse the many vendors and artists booths and enjoy lunch in the park. Next we are off for a stop at the Quilt Show. Quilters throughout Southern Missouri participate in the show. This evening we will have a full dinner at the famous Lambert's Café. Make sure you catch that throwed roll! Later, we will be checking into our beautiful hotel, The Drury Pear Tree Inn and Suites for our overnight.

[Dinner Included]

DAY TWO: ENJOYING THE SIGHTS AND SOUNDS

This morning we will enjoy breakfast at the hotel before departing back to the festival. First, we will have some free-time for shopping, browsing and taking in the historic downtown area of Charleston. We will be visiting the Hearnes Museum this morning prior to our reserved seats for the official 2010 Azalea Festival Parade. This is truly a hometown vintage parade filled with floats, clowns, and even tractors! A fun step back in time. Afterwards, we will have a chance to enjoy lunch at leisure in town. Next, we are off to see a fantastic piano concert conducted by Betty C. Hearnes, loving wife of former Governor Warren Hearnes. The performance will be held at one of Charleston's historic churches. For 42 years, Charleston has been celebrating their rich southern history and beauty, now is your chance to join in the festivities with us on this one-of-a-kind tour! [Breakfast Included]
