Spring in Forest Park

Tuesday, March 16, 2010

Have you missed out on the great attractions in Forest Park due to the intimidating drive and walking distances? Then this trip is for you.

Our day will begin at **Walter Knoll Florist** with a guided tour of their floral facilities. We will learn many fascinating facts about the floral business and have time to shop their warehouse with discounts just for us.

We will then travel to **Forest Park** where we will spend the remainder of our day. The **Jewel Box** recently had a 3.5 million dollar renovation and is aglow with beautiful flowers and greenery for our enjoyment.

Included today will be a relaxing **lunch**. After lunch we will welcome our step-on guide to learn the history of Forest Park on a motor coach guided tour.

To complete our day we will spend time exploring **The St. Louis Art Museum** and **Missouri History Museum**.
