Todd Lawrence, Senior Vice President and Branch Manager at Bank of Sullivan's I-44 branch announced, "We are pleased to announce that Mandy Hongisto has been promoted to Assistant Teller Supervisor. Mandy will be supervising our I-44 tellers, assisting customers and handling item processing. We are excited to see Mandy advance within our Bank of Sullivan family."

Hongisto came to work for Bank of Sullivan in July of 2012, assisting customers with their day to day transactions. She worked for the bank prior in their processing department, Midwest Technology Center for 2 years. Since her return she has worked at Bank of Sullivan's I-44 location as a teller and most recently as the Item Processing Supervisor.

Mandy's promotion comes after long-time head teller, Linda Weiskopf, decided to reduce her hours and take a back office position doing many of the reporting duties for which she has been responsible. Mandy, her husband Jarrett, their two children Alesia and Chase are lifelong residents of the Sullivan area. She enjoys being involved with her children at school activities and camping with family and friends.

Bank of Sullivan has served the needs of customers since 1895, providing financial solutions for today and always looking to the future. Bank of Sullivan has eight banking locations, including two in Sullivan, Downtown and I-44 locations, Cuba, Union, Labadie, Sunrise Beach, Pleasant Hope and Springfield, Missouri.
