## Your Rights To Your Free Annual Credit Report

Credit reports may affect your mortgage rates, credit card approval, apartment requests or even your job application. Reviewing it also helps you catch signs of identity theft early. The Federal law requires each of the three nationwide consumer credit reporting companies - Equifax, Experian and TransUnion - to give you a FREE credit report every 12 months if you ask for it. They also make it easy to accomplish many credit-related tasks right from your computer. For a FREE copy of your free credit report go to <https://www.annualcreditreport.com>.
